adequate service to its customers. According to the Application, the rates proposed also are necessary in order for the Company to comply with the standards and regulations set forth by the Department of Health and Environmental Control and other governmental agencies. Additionally, the Company asserts that the proposed rates are necessary to enable it to earn a reasonable return on its investment and to attract capital for future improvements.

The Current's current rates are as follows:

CURRENT SCHEDULE OF WATER RATES AND CHARGES

Monthly Water Usage Rate - \$18.00 per month
Monthly Irrigation Usage Rate (April through September) - \$10.00 per month
